Work or service agreement

Template for completion in North Macedonia.

Review with the relevant professional adviser before signing.

Performance of the work

The contractor delivers the accepted scope and result. The customer provides the agreed conditions and information. Work requiring professional authorisation, a permit or licence is carried out once the relevant requirements have been met.

Changes

Additional work and materials and changes to price or deadlines require the parties' written approval before performance. The parties retain relevant communications and documents.

Acceptance and defects

The result is inspected on delivery. Defects, correction deadlines and any agreed warranty are recorded in the handover report. The customer's mandatory statutory rights remain applicable.

Safety and liability

The parties follow safety rules and specify below their obligations concerning damage, insurance and equipment use. The relationship is assessed according to the actual manner of working and relevant legislation.

Termination and disputes

The parties specify termination conditions, payment for completed work and treatment of materials. Disputes are subject to the relevant law and jurisdiction in North Macedonia.
