Rabbit purchase and sale agreement

Template for completion in North Macedonia.

Review with the relevant professional adviser before signing.

Ownership and description

The seller declares the right to sell the described animal or group. Origin, identity and any third-party rights are accurately disclosed. The parties attach documents supporting these statements.

Condition and inspection

The seller discloses the known condition, treatments and defects to the buyer. The veterinary examination, documents and any agreement for further inspection are recorded below. The parties' mandatory statutory rights remain applicable.

Veterinary documents

The parties check with an authorised veterinarian the identification, registration, transfer of ownership and movement documents applicable to the particular species. The agreement is accompanied by the required veterinary and identification documents.

Handover and transport

Handover takes place at the agreed place and time. The parties specify the carrier, costs and care during transport in accordance with relevant requirements. The condition and documents delivered are recorded in a handover report.

Payment and additional agreements

Payment follows the first page and is documented by the relevant record. Amendments are documented in writing. Disputes are subject to the relevant law and jurisdiction in North Macedonia.

Place, date and time of handover
